

CITY OF LODI

COUNCIL COMMUNICATION

AGENDA TITLE: Advertisement for Bids for the Sale of Two Surplus Power Transformer

MEETING DATE: January 19, 2000

PREPARED BY: Electric Utility Director

RECOMMENDED ACTION: That the City Council authorize advertisement for bids for the sale of two surplus power transformers.

BACKGROUND INFORMATION: With the conversion to 12 kV service of the last remaining portion of the original 4 kV distribution system (an industrial customer) the Department has surplusd two 5000 kVA, 12 kV to 4 kV power transformers. These transformers are no longer needed and do represent a significant but unnecessary liability. Therefore, it is recommended that the City advertise the units for sale. Based on past sales of similar equipment it is possible that bids as high as \$10,000 may be received.

The bid opening has been scheduled for Wednesday, February 9, 2000.

FUNDING: Not applicable

A handwritten signature in black ink, appearing to read "Alan N. Vallow".

Alan N. Vallow, Electric Utility Director

PREPARED BY: Hans Hansen, Manager, Engineering and Operations.
